

Blueberry Muffins

Ingredients:

- ½ cup butter
- 1 ½ cups sugar
- 2 eggs
- 2 tsp baking powder
- ½ tsp salt
- ½ cup milk
- 2 cups flour
- 2 cups whole blueberries
- ½ cup mashed blueberries

Instructions

1. Preheat oven to 375 degrees. Line standard sized muffin pan with 12 liners.
2. Cream butter and sugar together.
3. Add eggs, baking powder and salt.
4. Alternate adding milk and flour
5. Add all blueberries.
6. Sprinkle sugar on top before baking. (NOT salt like my mom accidentally did one time! Eww!)
7. Bake for 20-25 minutes. Cool before eating.

You can substitute raspberries. Or for lemon poppyseed muffins, substitute blueberries with ½ cup lemon juice, zest of 2 lemons and 1 TBS poppyseeds.

The story behind this recipe. As Mother's Day comes around each year, I fondly remember the delicious blueberry muffins my mom used to make.
